

THE CENTIPEDE COBBLER

By Charlotte Fairbairn

I am a centipede cobbler –
I make sandals for centipedes' feet.
I'll do silk-covered shoes
For their Posh Party Does;
I'll do high-studded boots
For their army recruits;
I'll do moccasins, slippers
For grown-ups or nippers;
Clogs, flip-flops or pumps;
Heels, stiletto or stumps;
For I am a centipede cobbler
And my trade lies in centipedes' feet.
